

FOIL Policy

The East Harlem Scholars Academy Charter School II will comply with New York State's "Freedom of Information Law" (FOIL). When the School receives a request for information under the Freedom of Information Law, it shall be responded to in the following manner:

1. Within five business days of receipt of a written request, the Records Access Officer (The school's Director of Operations) shall make the information available to the person requesting it, deny the request in writing, or provide a written acknowledgment of receipt of the request that supplies an approximate date, which shall be reasonable under the circumstances, for when the request will be granted or denied.
2. If the School determines to grant access to the requested information, and if circumstances prevent disclosure to the person making the request within twenty business days of the acknowledgment of receipt of the request, the School shall state, in writing, both the reason for the delay and a date certain, within a reasonable period of time, depending on the circumstances, when the request will be granted in whole or in part. Failure of the School to conform to the provisions of paragraph one above or this paragraph two, shall constitute a denial of the request for information.
3. If an individual is denied access to a record, he or she may, within 30 days (or such period as defined by law, as may be modified over the course of the charter), appeal such denial to the Records Access Appeals Officer (The Principal of the School or his or her designee).
4. Upon timely receipt of such an appeal, the School shall, within 10 business days of the receipt of the appeal (or such period defined by law, as may be modified over the course of the charter), fully explain the reasons for further denial or provide access to the record sought. The School also must forward a copy of the appeal, as well as its ultimate determination, to the New York State Committee on Open Government.

Exceptions to disclosure: The East Harlem Scholars Academy Charter School II may deny access to a requested record for a variety of reasons, including that: a) such access would constitute an unwarranted invasion of personal privacy; b) such access would violate either state or federal law; c) such records are compiled for law enforcement purposes; and/or d) such records are inter-agency or intra-agency materials which are not statistical or factual tabulations of data, instructions to staff that affect the public or a final policy. Except for records specified in Public Officers Law §87(3), the School shall not be required to prepare any record which it does not maintain or have in its possession.

Records available under the school's FOIL policy include:
